

Luciano Piñeyro

Full Stack Developer

Work experience

Back Office

Requiro SRL | Septiembre 2021 - At the moment

- Currently, I am responsible for the creation and maintenance of the Requiro company's website, accessible at www.viemventura.com.uy and viemventuralink.com.uy.
- I use Microsoft Excel to generate management reports for company managers.
- manage the installation of hardware and software on computers, as well as the acquisition and maintenance of IT supplies.
- I oversee the creation of users on the server and supervise the Dlnstar radio bases.
- I am in charge of administering the company's CRM database

About me

I am passionate about Information Technology (IT) and specialize in Web Development, with a focus on the Back End. My dynamism, proactivity, perseverance, and determination enable me to tackle challenges effectively. With experience in web development, including creating my company's website, I am committed to contributing innovative and efficient solutions to future projects.
